ORDER:-

According to G.O. No. 95, Finance dated 30-1-1945, service in vacancies caused by the deputation of officers on Foreign service would count for pension if pensionary contribution was recovered from the foreign employer. In order to give this pensionary benefit to the officers of the Cooperative Department on the basis of their seniority, the Registrar of Cooperative Societies drew up in 1948, two lists of such officers. The first list comprising Cooperative Sub Registrars and Senior Inspectors was approved in G.O.Ms. 4184 Development dated 12-8-1948 first cited. The second list comprising Deputy Registrars was approved in G.O. Ms. 4461 Development dated 31-8-1948. *Second cited*

2. In these two lists the Registrar included not only vacannies arising out of deputation on foreign service but those arising out -

i) Deputation to the Defence Department during the last war and

ii) Deputation to posts sanctioned under Fundamental Rule 127.

On an audit ruling that the principle of counting service in Foreign service vacancies towards pension could not be extended to vacancies on account of deputation to the Defence Department or to posts under Fundamental Rule 127, the Accountant-General suggested that the orders issued in the G.Os. cited might be modified so as to exclude from their purview both these categories of deputation. The Registrar

reported that these G.Os. had spent themselves out by efflux of time and that they might be cancelled in toto. The Accountant-General has no objection to the Registrar's proposal being implemented, provided that the corresponding entries in the service Registers of the Subordinates concerned are also cancelled.

3. The Government accept the Registrar's proposal as modified by the Accountant-General and direct that the orders issued in the G.O.s cited be cancelled. The Registrar is requested to see that the entries in the service registers of the concerned subordinates are cancelled.
